Harare, Zimbabwe

SUMMARY

Highly passionate and driven tech enthusiast with a strong foundation in mobile and web development, specializing in React, Node.js, and low-code platforms like FlutterFlow. Proficient in full-stack development, with hands-on experience in building cross-platform web applications, designing front-end and back-end logic, and creating real-world business challenges. Eager to leverage expertise in dynamic environments to embrace challenges and continuously explore emerging technologies.

SKILLS

- **Front-End:** ReactJS, ReduxToolkit, NextJS, TypeScript, HTML, CSS, JavaScript, FlutterFlow
- **Back-End:** Python, Flask, PHP, Laravel, Node.js, RESTful APIs
- **Databases:** MySQL, PostgreSQL, MongoDB, Supabase, Firebase
- **Tools & Technologies:** Docker, Vercel, CI/CD, GitHub Actions, Jest, Testing Library
- **Methodologies:** Agile, Responsive Design, Version Control

WORK EXPERIENCE

Full Stack Developer | Kimtronix Global | Harare, Zimbabwe
January 2023 – Present (2 years 7 months)

- Developed and maintained cross-platform web applications using React, Node.js, and other modern web technologies.
- Designed and implemented robust front-end and back-end logic, ensuring seamless user experiences and efficient data flow.
- Contributed to the creation of full-featured apps, successfully addressing real-world business challenges.
- Collaborated with teams to deliver high-quality software solutions on schedule.

Mobile App Developer | CyberSeIp Incorporation | Harare, Zimbabwe

October 2024 – Present (10 months)
- Developed mobile applications primarily using Flutter and FlutterFlow, ensuring cross-platform compatibility.
- Managed the integration and linking of applications with Supabase backend, optimizing data synchronization and user experience.
- Contributed to the full mobile app development lifecycle, from concept to deployment.

Web Developer | Verdsoft Private Limited | Harare, Zimbabwe
January 2021 – December 2023 (3 years)
- Developed web applications using PHP, Python scripting, HTML, CSS, and JavaScript.
- Implemented fundamental web technologies to create responsive and user-friendly interfaces.
- Collaborated on various web projects, contributing to design, development, and testing phases.
